Response to Arguments

1. Applicant's arguments, see pg. 4-6, filed 1/23/2008, with respect to claims 11 and 14 have been fully considered and are persuasive. The rejection of the claims has been withdrawn.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: Fujimori '978 appears to suggest n masks engaged on n base plates, while the claims require a plurality of masks engaged on a *single* base plate. Thus, neither Fujimori nor the prior art of record reasonably teaches or suggests adjusting the relative position between the base plate and each of the deposition masks in combination with the other limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jimmy Lin whose telephone number is (571)272-8902. The examiner can normally be reached on Monday thru Friday 8AM - 5:30PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tim Meeks can be reached on 571-272-1423. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
